

# SIGALUX A60 4010

## Dimensions

TYPE	C max. Overall Length (mm)	D max. Overall Diameter (mm)
A60	108	60

Product reference	Product number	Voltage (V)	Power (W)	Power factor	Lumen (Lm)	Intensity (Cd)	Beam angle (°)	CCT (K)	Socket	Dim or not	Diameter (mm)	Length (mm)	Lifetime (h)	Switch cycles	Energy class
A60	4010	220-240	5.8	0.5	470	/	220	2700	E27	not	108	60	15000	30000	A+

### Product Features

- IEC standard size
- Compatible with existing fixtures
- Free of mercury
- ERP compliance
- warm-up time to 60% Φ: <1s
- Starting time: <0.5s
- Color consistency: < 6 step
- Color rendering index: ≥80
- Lumen maintenance factor at the end of the nominal life:70%

### Product Benefits

- Warm white 2700K
- Available in E27 base
- Ideal for decorative applications

### Product Applications

- NON-Directional light sources
- Ship windows
- Retail outlets
- Maybe used outdoors only in outdoor fixtures
- Working temperature:-15~+40°C
