Product Features

- IEC standard size
- Compatible with existing fixtures
- Free of mercury
- ERP compliance
- warm-up time to 60% Φ : <1s
- Starting time: <0.5s
- Color consistency: < 6 step
- Color rendering index: ≥ 80
- Lumen maintenance factor at the end of the nominal life: 70%

Product Benefits

- Warm white 2700K
- Available in E27 base
- Ideal for decorative applications

Product Applications

- NON-Directional light sources
- Ship windows
- Retail outlets
- Maybe used outdoors only in outdoor fixtures
- Working temperature: $-15 \sim +40^{\circ}\text{C}$
